THE POWER OF V

COMPANY PROFILE

ABOUT US

Founded in 2011 with a vision to be the first destination for conducting affordable, professional engagement, we are the pioneering jordanian provider of workspaces, logistics support and business services for companies, professionals, students and individuals. our aim is to provide your company with a trustworthy, corporate image while providing you with full support.

Since our doors opened, we established the first coworking space in jordan and managed to grow tenfold from 300 m² to 4500 m². We are now in three different locations, have more than 70 furnished offices, offer over 20 meeting spaces, cover different types of catering services and have successfully established a program providing our members with professional business services, isnad support program.

About us

Vision

To be the first destination for conducting professional engagement

Mission

To provide a professional environment for our clients with high quality and cost effective services

A large, stylized teal 'V' shape on the left side of the slide. Inside the 'V', there are many small black silhouettes of birds flying in a V-formation. At the top right of the 'V', a few more birds are shown flying away.

The story behind the name

V business center's name is inspired by the "v" formation migrating birds fly in. The formation conserves energy due to reduction in wind resistance and assists coordination Within the group, thus helping the whole flock reach % 71 greater efficiency than if individual birds were flying alone.
